

## **Suggestions for Authors**

- **General:**

The PKV Research Journal is published twice a year to promote the cause of research and disseminate the knowledge in the field of agricultural sciences. Subject matter should fall in the categories of

- (i) Original research articles
- (ii) Research notes and
- (iii) Review papers.

- **Manuscript:**

- i) It should be typed on full scape good quality, double spaced, on one side of the page only, with sufficient margin, 5 cm on the left side and 2.5 cm on each of the remaining sides.
  - ii) The author(s) may submit paper in duplicate. He may not type his name, designation and acknowledgement on the first copy.
  - iii) All sheets in the copy should be of one side only and should not ordinarily exceed 10 in numbers including tables.
  - iv) Writing style should be simple, concise and precise. Presentation of article should have the components in the following sequence : Title, Name (s) of author(s), Foot Note, Abstract, Introduction (without heading), MATERIAL AND METHODS, RESULTS AND DISCUSSION, ACKNOWLEDGEMENT if any and LITERATURE CITED.
  - v) Format of Research note may be as per the latest issue. All calculations, tables, figures, names, quotations, citations, etc. should be carefully verified before submission.
  - vi) The metric system of measurements should be followed and standard abbreviations be used.
  - vii) The paper need necessarily to be accompanied by an undertaking that it is not published earlier in any journal.
  - viii) The author(s) are advised to adhere to the format of this journal strictly. In the event of not following the format, the paper(s) may not be attended to.
- **Title:** The title of the article should be short and precise and should be followed in the next line, by name(s) of author(s). Foot note on the first page should include the department(s) contributing the article, designation and present address of author(s).
  - **Abstract:** Concise summation of findings not exceeding 200 words should be written at the beginning of the papers. The abstract should start with the objective. It should be intelligible without reference to the original paper. It should be written in such a way that will facilitate abstracting of the paper in the world of abstracts.

- **Table:** Type each table on a separate sheet. They should be numbered in Arabic numerals with title of the table in the same line. Table should be placed at the end of the manuscript, but its place in the text should be indicated.
- **Figures:** Identify graphs, line drawings and photographs with consecutive arabic numbers as Fig. 1, Fig. 2. Place figures after tables. Photographs must be clear, glossy prints, original graphs and drawing must be in Indian ink or equivalent on plain white drawing paper. Lettering should be large and bold enough to permit reduction. Each figure number should be placed on the back of each figure in pencil for identification.
- **Nomenclature:** The latin binomial or trinomial and authority must be should for all plants, insects and pathogens at first listing either in the title or when first mentioned in the text. Crop varieties (not experimental lines and strains) should be identified by a single quotation mark at first listing only. Generic and specific names should be in italic e.g. *Lycopersium esculentum* Mil Morgtobe.
- **Reference:** They should be double space throughout and arranged alphabetically according to author's names and should be placed under the heading "Literature Cited" at the end of the article. Each reference should contain the name of author with initials, the year of publication, title of article, the abbreviated title of publication, volume and page e.g.

Sarode, S.V. and U.S. Kulkarni, 1998. Sustanability of *Helicoverpa armigera* (Hubner) on weed *partheninum hysterothorous*, Indian J. Entomol., 60(4): 421-422.

Kawarkhe, V.J., R.N. Jane and Manisha Deshmukh, 2003.Effect of nitrogen and specing levels on growth and flower yield of China Aster, PKV Res. J., 27(2): 163-165.

- In the text, the reference should be indicated by author's name followed by year of publication. When more than one paper by the same author appears in a single year they should be distinguished as a, b, c,.....
- Please refer to annexure of PKV Res. J. Volume 11(2), 1987 for abbreviation of journals to be given under Literature Cited.
