CIRCULAR

(Regarding the use of Pirated Softwares in Office Computers)

It is hereby informed and requested to all the University Officers and Head of the Departments regarding the use of various pirated softwares (**particularly Microsoft Operating System and Microsoft Office Software**) on their office personal computers, *the use of pirated or unauthorized software is being notified as a cyber crime and it is a punishable offence*. The Microsoft company team is continuously insisting for the software audit in the University. Hence, all the Head Departments and concerned users are requested to kindly make sure that the various softwares installed in their PCs are authorized and having legal licenses for use in office. If any unauthorized softwares are installed in the PC should be removed immediately.

If the use of pirated or unauthorized software is found during the software audit by the authorized agency, it will be the responsibility of the concerned Head of the Office, ARIS Cell will not be responsible for such software piracy. If the office/department is not having legal licenses, it is requested to use the Open Source Software freely available on the internet which meets the office work requirements.

It is hereby requested to all concerns to take necessary action as mentioned above on TOP PRIORITY to the stop the use of pirated software in University offices.
