The Department of Agricultural Process Engineering and AICRP on Post Harvest Engineering and Technology, Dr. PDKV, Akola are jointly organising National level essay competition on the occasion of Engineers Day Celebration. The topic of essay competition is **“Role of Post Harvest Processing in National Development and Innovative Ideas for Augmenting Rural Prosperity”**. The essay competition is grouped in three categories viz.,

Category I : Under Graduate Students

Category II : Post Graduate and Ph.D. Students

Category III : Faculties (any cadre)

The essay should be typed on A-4 size paper with maximum limit of 2000 words (MS word, Times new roman, font size 12 with 1.25 spacing). The first, second and third prizes will be awarded to the best essay in all the categories. The medium of instruction for participation in the competition is English. The prizes along with certificates will be awarded on 26th Sept. 2017 and participation certificates will also be given to all participants on same day. The time and venue will be conveyed in due course of time.

All the participants are hereby requested to submit the manuscript of essay in soft copy on the email-id pdkvnlec2017@gmail.com

Last date of submission of essay is 15/09/2017.

The results will be conveyed to successful candidates on 21/09/2017.

The circular may please be given wide publicity among staff and students.
