CORRIGENDUM

No.HD/AGRONOMY/AICRPAM/Contractual Post/ ADVT/ 4413 /2025

Dt. 17/12/2025

It is informed that under the Mission Mausam-III Project (MM-III) entitled "AI-powered context-specific agromet advisory services for climate-resilient agriculture at scale", an advertisement was issued by the Department of Agronomy for filling up one post of Young Professional (YP)-II. The said advertisement was published in the Marathi newspaper Divya Marathi on 16 December 2025. However, due to a typographical error, the Department of Soil Science was inadvertently mentioned instead of the Department of Agronomy.

"In partial modification of this office Advertisement dated 16/12/2025, the following amendment is made:

"The words 'Department of Soil Science' may be read as 'Department of Agronomy'.

All other terms and conditions of the said Advertisement / letter remain unchanged."

Thanking you.
