MAHARASHTRA, INDIA- 444 104**

ABOUT UNIVERSITY

Dr. Panjabrao Deshmukh Krishi Vidyapeeth, Akola was established on 20th October, 1969 with its head-quarter at Akola. This Agricultural University has been named after the illustrious son of Vidarbha Dr. Panjabrao (alias Bhausaheb) Deshmukh, who was the Minister for Agriculture, Govt. of India. The jurisdiction of this University is spread over the eleven districts of Vidarbha. According to the University Act 1983 (of the Government of Maharashtra), the University is entrusted with the responsibility of agricultural education, research and extension. The instructional programmes at main campus are spread over in 5 Colleges namely, College of Agriculture, College of Agricultural Engineering & Technology, College of Forestry, College of Horticulture and Post Graduate Institute. At this campus 4 degree programmes namely B.Sc. (Agri.) B.Sc. (Hort.), B.Sc. (Forestry) and B.Tech. (Agril. Engg.), two Master's Degree Programmes viz. M.Sc.(Agri.) and M.Tech. (Agril. Engg.) and Doctoral Degree Programmes in the faculties of Agriculture and Agril. Engineering are offered. University has recently completed its glorious journey of 50 years on 20th October, 2019.

ABOUT NAHEP

Indian Council of Agricultural Research (ICAR), Government of India has taken up the World Bank supported National Agricultural Higher Education Project. The Project has been formulated with a focus to improve and sustain quality in higher agricultural education. It aims to produce a globally competitive agricultural human resource capable of developing new technologies and skills for scale up and transfer of new technologies to improve the production system and value addition. Overall, the project aims to develop resources and mechanism for supporting infrastructure, faculty and student advancement and providing means for better governance and management of agricultural universities, so that a holistic model can be developed to raise the standard of current agricultural education system that provides more jobs and is entrepreneurship oriented and at par with global agricultural education standards.
