APPENDIX-1

Terms and conditions governing Supply of Laboratory chemicals, media, plasticware & glassware

Part-1

1. Sealed quotations are invited from manufacturers/authorized dealers of manufactures/authorized suppliers/stockiest/dealers who are willing to undertake supply of **chemicals, media, plasticware & glassware** as per the specifications mentioned in Appendix-II.
2. The rates i.e. discount on printed price list both in words and figures without any corrections or over writing should be quoted in Appendix-II for each individual item separately. Any over writing or rewriting should be duly countersigned. The rates must be valid up to 31st March 2026 from the date of execution.
3. The intending supplier shall have to enclose catalogues in hard/soft copies for which the rates are quoted in quotation.
4. The quotation must enclose adequate documents to prove their authorization claims. The authority letter should include the details of principle supplier/manufacturer regarding their full address. Contact person email address, fax no. and address of the website and if not enclosed this university reserves the rights to accept or reject quotations of these agencies. The decision of the university regarding this will be final and shall be binding on supplier.
5. Suppliers shall have to mention discount offered on the price list of chemicals, media, plasticware & glassware in the Appendix-II.
6. The supplier should submit his offer in two separate envelopes i.e in first envelop with superscription **"Quotations for supply of chemicals, media, plasticware & glassware" (Envelope No. 1.)** containing catalogues or company price lists, Appendix I and Authorization certificates.
7. The supplier should provide the discount quoted only in Appendix -II in second envelop with superscription **"Quotation for supply of chemicals, media, plasticware & glassware" (Envelop No. 2).**
8. Enclose sealed envelope No.1 and 2 envelope no.3 with superscription quotation for supply of laboratory chemicals, media, plasticware & glassware and be submitted to the undersigned.
9. The intending supplier should quote the rates inclusive of all expenses, all charges with free delivery as mentioned in Appendix-II at respective office/ laboratories in the university. The laboratory chemicals, media, plasticware & glassware will have to be supplied as per the specifications within fifteen days or as per the last date mentioned in the final supply order. In case the supplier requires more than as stipulated above for effecting actual supply of a particular item shall specifically mention in the quotation.
10. Undersigned will reserve full rights to open/consider the second envelop if and only if university is satisfied with information contents in envelop no.1. The decision of the university regarding this will be final and shall be binding on supplier.
11. The supplier will have to supply in full the commodities as per the order to different sections/office/laboratories of the department.
12. The institute also reserves the right to obtain the materials by negotiations from one or more of the supplier, in case the rates, quality, make specifications or other terms and conditions etc. of supplier are not found suitable. Similarly, it reserves the right to call for break up of cost shown.
13. On acceptance of the rates as per the Approved supplier, the supply order will be placed by head of the office.

14. The suppliers are bound to supply only genuine quoted chemicals, media, plasticware & glassware of the make/Model/specification etc. quoted by him/it and ordered for supply by the university/offices under it shall be liberty to ask for production of sufficient proof that the manufacture is rendering adequate business support to the supplier or university will have the right to get satisfied approaching the manufacturer without noticing to the supplier for genuinity of commodities and authority to supplier.
15. The requirement of chemicals, media, plasticware & glassware depends upon the analytical work to be carried out by the research worker working at department Hence, the quotation contract shall be for the complete range of product of the manufactures and purchase shall be effect as per requirement at particular place.
16. Final payment of chemicals, media, plasticware & glassware will be made only after complete delivery of the commodities and after the completion of the entire official formalities.
17. The credit bill should be presented in triplicate in the name of authority as quoted in final supply order. For any delay in payment (interest or any other kind of compensation) the institute will not make any extra payment. This quotation contract will be governed as per terms and conditions mentioned above agreement made and the provisions contained in M.A.U. Account Code,1991 delay in supply within the prescribed time limit or the extended time limit, making of supplies not up to the standard specification and performance of non-observance or non-acceptance of these terms and conditions by the supplier shall constitute breach of quotation contract and supplier shall be liable for reduction in bills of supplies/fine and or other legal action and finally the decision of the institute shall be binding on the supplier.
18. Every page of quotation should be numbered and signed with seal by the supplier while submitting.
19. The right to accept or reject the quotation without assigning any reasons thereof are reserved by the Institute.
20. The quotation from along with all necessary documents must be submitted to the Associate Dean, Vasantrao Naik Government college of Agricultural Biotechnology, Yavatmal. For further needful.
